UTAH HENS WILL HAVE TO GET BUSY

Supply of the Native-Laid Eggs Is Fast Being Exhausted.

LARGE SHIPMENTS OF EASTERN EGGS ARRIVE

Poultry Also Becoming Scarce; Oranges Advance in Price Slightly.

busy, the residents of Salt Lake will have to be content with eating eggs shipped here from the Eastern States A fairly good showing was made by the hons of this State during the first part of last week, and as a result big shipments of home eggs were placed on sale on the local market

In the last few days the native hens have become lazy and in consequence the supply of the home article is rapidly beng exhausted. However, a shortage in the egg market is not probable, as big shipments of Eastern eggs are arriving here. The laziness of the heas of Utah has caused Utah fresh eggs to advance to 36 cents a dozen, retail, while 25 cents a dozen retail is asked for the Fastern arriving.

article. There is also a scarcity of poultry, but the supply to be obtained is being sold at the prices that have prevailed for several days. Oranges of all grades have advanced about 25 cents a box wholesale, in consequence of the light shipments from California, due to neavy rains.

WHEAT IS DULL AND PIT SELLING FREE

Bears Take Advantage of Good Weather Reports for Winter Wheat.

CHICAGO, Feb. 15,-The tone of the wheat market was weak during the entire day. At the opening May was off to %c at \$55,035%c. A decline of %c in the price at Liverpool, caused by liberal world's shipments and a large increase in the amount of breadstuffs on passage, caused free selling by pit traders. Another factor favorable to the bears was good weather for fail-sown wheat in the American Southwest. At times the market showed some disposition to rally but increased selling pressure soon carried prices down again. An official forecast of a cold wave to extend over a large part of the wheat-growing country was the only important item of news that could be construed as favorable to the bulls.

Reports from Nebraska and Kansas claiming havy losses by hog cholera created a strong provisions market. The price of live hogs, which advanced lo to Ec, also strongthened the situation. May pork closed up 40c, lard was up 10/212/cc and ribs were 22/sc higher.

DR. COOK'S SCIENTIFIC, CERT AIN AND COMPLETE CURE FOR

Weak, Nervous, Restless at Night, and Weak, Aching Back, Diseased Kidneys, Inflamed Prostate, Despondent, Lack of Energy, Ambition and Strength, Poor Memory, Hollowed Eyes, Face Pimples and Worry, Exhausting Dreams.

An endless number of men have one or more of the above symptoms and drag from lay to day in despair of a prosperous, happy future, and well they may, for if neglected their health is sure to be wrecked by a complete loss of physical, mental and sexual power.

My method completely and permanently revives manhood after "cure all" remedies and "quickcure" specialists fail to even benefit.

My scientific, systematic course of treatment for weak, nervous, brokendown youths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life, is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Failing Manhood is harmicss, though so effective as to remove them immediately. It is constitutional, therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tissues, the patient becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the free—it buds energy, ambition and confidence that leaf into a prime, healthy, vigorous feeling of new life.

I treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE, VARICOCELE, HYDROCELE, BILOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by a written instrument to produce permanent and satisfactory results or refund money.

IMPORTANT-I will oure you for less money than you can be treated for by any other specialist in Salt Lake. You may have to come to me sooner of later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists?

CURE OR NO CHARGE—ABSOLUTELY NO CHARGE UNLESS SAT-ISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, lifelong cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.

CONSULTATION FREE, CONFIDENTIAL AND INVITED. A personal therough and searching examination is required, though if inconvenient to call, write me a full description of your trouble. Office hours: 9 a. m. to 8 p. m., except Sundays, from 9 to 12:50. Address or call
